Please submit the following items with your application unless otherwise directed by planning staff. All residential project applicants should ask for a copy of the additional "Required Information for Residential Project Plans," if you are not given a copy at the time you receive these materials.

- __1. **6 Sets of Plans*** - Each set of plans shall be folded to approximately 8.5" X 11" and have at least one sheet for each of the the following:
- __a. **Site Plan** Drawn to scale, indicating correct parcel dimensions, all existing and proposed structures and trees. Show grading contours and indicate the location of any drainage flows. All recorded utility and access easements must be shown clearly. Adjacent street rights-of-way and adjacent parcels must be shown. Include a **Location Map** on this sheet.
 - __b. **Building Elevations** Drawn to scale, showing north, south, east and west views of all proposed structures. Indicate existing grade, finished first floor and a roof ridgeline (highest point of the structure).
 - __c. **Building Floorplans** Drawn to scale, clearly detailing all habitable and non-habitable existing and proposed floors areas.
 - __d. **Details** Plan Set details are required for both residential and commercial projects. Ask for the residential or commercial supplemental sheets for your project.
 - __e. **Conceptual Landscape Plan** Drawn to scale, showing all existing and proposed landscaping (include species name and height) and hardscape including all fencing, walls, (including height of these features) driveways and walkways. A more detailed landscape plan will be required during the building permit submittal to show compliance with Chapter 13.04 "Water Conservation in Landscaping Regulations" of the Municipal Code.

*Note: 6 Sets of plans are required for Planning Commission approval. Additional sets may be required after Planning Commission approval based on type of request. (Consult Staff)

- __2. One (1) set of project plans reduced to 8.5 X 11 inches.
- __3. One (1) set of project plans reduced to 11 X 17 inches.
- __4. Photographs of the site and surrounding area.
- __5. A Copy of a Title Report prepared within 90 days including a separate sheet identifying the legal description of the subject site (include all APN's associated with the subject site)
- __6. Include two (2) complete sets of mailing labels with names & addresses of; 1) all property owners within a 300- foot radius, and 2) occupants within a 100-foot radius of project site. Please note: two (2) copies of the 300- foot and 100-foot radius notification buffer are required on the associated Assessor Parcel Map denoting the project site and selected properties.
- __7. Written proof of water connection commitment from the Coastside County Water District.
- __8. Completed Stormwater Checklist for Small Projects or C.3 (if applicable).
- __9. Copy of Dwelling Unit Allocation Certificate (D) for projects including new residential units.
- __10. A signed **Affidavit of Application Materials** that is attached to this application packet.
- __11. For **Tentative Parcel Map, Tentative Subdivision Map, Lot Line Adjustment and Lot Merger Applications**, please ask for the corresponding supplemental forms requiring additional information.
- __12. A completed and signed **City of Half Moon Bay Planning Department Permit Application Form**.
- __13. **TOPOGRAPHIC SURVEY REQUIRED:** A detailed topographic survey shall be prepared and certified by a licensed surveyor or civil engineer properly registered to perform surveying and submitted with Planning Permit application plans. The survey shall include a baseline elevation datum point on the construction site, indicating existing grade prior to development. This datum point shall be permanent, marked, shall remain fixed in the field, and shall not be disturbed throughout the Planning and Building Review process. Examples of datum points include: fire hydrants, manhole covers, survey markers, street curbs, etc. This datum point shall be shown on all of your site plans including revised/resubmitted plans. The footprint of the proposed structure(s) shall be drawn on plans with a roof plan. Specific elevation points at structure(s) corners and ridgeline shall be noted on the survey. The approved height of all projects developed in the City will be measured from existing grade as indicated on the submitted topographical survey to the roof ridgeline (highest approved structure height) of the structure.

AFFIDAVIT of APPLICATION MATERIALS

I understand that the City is required by law to notify all those property owners within 300 feet and occupants within 100 feet that are shown on the latest assessment roll of the County of San Mateo. It is the responsibility of the applicant to list the names and addresses of those property owners and occupants on mailing labels and include them with your application submittal.

I, _____ hereby certify that I have read and understood this Affidavit of Certified Property Owners List. I understand that it is the Applicant's responsibility to provide all materials necessary for a complete application; and that processing will not proceed until application is complete.

I certify that all information provided by applicant is true and correct regarding application and proposed project.

I understand that erroneous information may be grounds for denial or modification/revocation of approved project.

Signed _____ Date _____

Name of Owner _____

Telephone (day) _____

Cost-Based Fee System

I understand that charges for planning staff time spent processing this application will be based on the Council-approved fee schedule (see current Master Fee Schedule).

Further, I understand that my initial deposit is a retainer and not a fee. This deposit will set up an account which shall be charged at the above hourly rate for all staff processing time. If expenditures exceed 70% of the deposit amount required by the Cost Recovery Fee Program, additional deposits will be requested. Applicant understands and agrees that nonpayment of deposit requests within the time period specified in the request shall stay the application process until the funds requested are paid.

If the final costs are less, the unused portion of the deposit will be returned to me at the conclusion of the process or final inspection of the completed project, whichever occurs later (the necessary staff time will vary according to the complexity of the application and the project.) Also, I understand that staff processing time may include, but is not limited to:

1. Initial review and ongoing project processing by the Planning Division, Public Works Department, and City Attorney including, but not limited to:
 - a. Reviewing plans / submittal packages
 - b. Routing plans to, and communicating with, inter-office departments and outside agencies
 - c. Researching documents relative to site history
 - d. Site visits
 - e. Consulting with applicant and/or other interested parties either in person or by phone
 - f. Preparing environmental documents
 - g. Drafting staff reports and resolutions
 - h. Preparing pertinent maps, graphs and exhibits
 - i. Attending meetings / public hearings before the Planning Director/Planning Commission/ City Council
2. Plan checking subdivision, parcel and final maps and subdivision improvement plans by Public Works and Planning Department subsequent to receiving discretionary approvals;
3. Plan checking building permits by Planning and Public Works Department, subsequent to receiving all discretionary approvals;
4. Final, on-site inspections of the project by Planning Department, and/or Public Works Department; I also understand that receipt of all discretionary approvals does not constitute an entitlement to begin work. Non-discretionary approvals may be required from the Building Department, Public Works Department, Coastside Fire Protection District, Sewer Authority Mid-Coastside, San Mateo County Environmental Health Department, Coastside County Water District and other agencies. Refer to the City Fee Schedule for other fees to be assessed prior to the issuance of project permits. These fees may include, but are not limited to:
 1. Building Permit fees;
 2. Public Works fees;
 3. Developer Impact fees;
 4. Fire District, Sanitary District, Water District, etc. fees.

_____ Owner(s)' Initials

As applicant, I have read and agree with all of the above, and I assume full responsibility for all costs incurred by the City in processing this application(s).

Signature of Applicant _____ Date _____

HOLD HARMLESS. The applicant agrees as a condition of approval of this application to indemnify, protect, defend with counsel selected by the City, and hold harmless, the City, and any agency or instrumentality thereof, and its elected and appointed officials, officers, employees and agents, from and against an and all liabilities, claims, actions, causes of action, proceedings, suits, damages, judgments, liens, levies, costs and expenses of whatever nature, including reasonable attorney's fees and disbursements (collectively, "Claims") arising out of or in any way relating to the processing or approval of this application, any actions taken by the City related to this entitlement, any review by the California Coastal Commission conducted under the California Coastal Act Public Resources Code Section 30000 et seq., or any environmental review conducted under the California Environmental Quality Act, Public Resources Code Section 210000 et seq., for this entitlement and related actions. The indemnification shall include any Claims that may be asserted by any person or entity, including the applicant, arising out of or in connection with the approval of this application, whether or not there is concurrent, passive or active negligence on the part of the City, and any agency or instrumentality thereof, and its elected and appointed officials, officers, employees and agents. The applicant's duty to defend the City shall not apply in those instances when the applicant has asserted the Claims, although the applicant shall still have a duty to indemnify, protect and hold harmless the City. The applicant understands that there is a possibility of litigation and Coastal Commission enforcement act regarding the current Zoning Code provisions that apply to this application; the City makes no representations or warranties about the outcome of such actions or how they might impact the processing of this application or any permit issued based on this application.
