

# NOTICE

## 2019 Sidewalk Replacement & Repair Project

The 2019 Sidewalk Replacement & Repair Project will replace damaged concrete panels at various locations throughout the City.

**Construction anticipated to begin on February 25, 2019 (Weather Permitting)**

### **What to expect during the project:**

- Work will be performed during the day from 7 am to 4 pm, Monday-Friday.
- Parking will be limited along certain streets. “No Parking” barricades and signs will be posted by the Contractor prior to any restrictions.
- Streets will remain open. Sidewalk detours will be marked with signage. Please watch for signage and/or flag-persons!
- The result of the construction will be a safe sidewalk for all who live and visit Half Moon Bay!

**The City apologizes for any inconvenience. Please use extra caution in Construction Zones as a driver, bicyclist, or pedestrian.**

### **Construction Contacts:**

Evelyn Moran, Assistant Engineer, 650-726-8265 or email: [emoran@hmbcity.com](mailto:emoran@hmbcity.com)

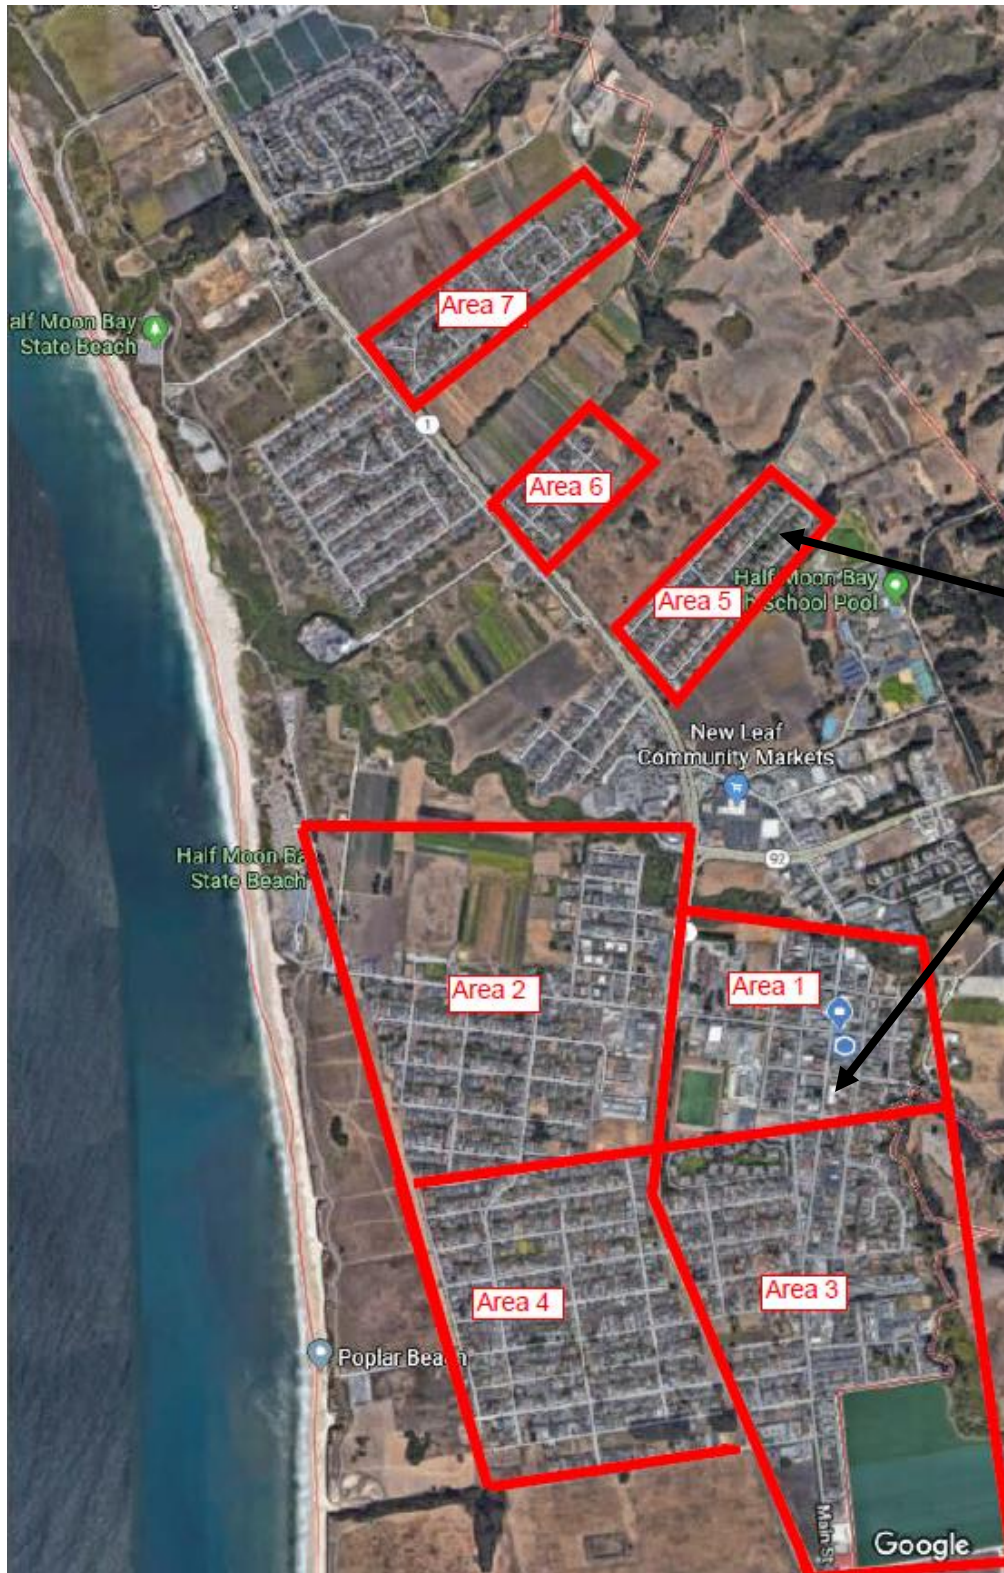

Gabriel Dominguez, Golden Bay Construction, 408-547-7597
